Facilities Tour & Meeting- KRMS Dec 3

From the Tax Collector's Office:

The second of the two 2025 property tax bills have now been mailed to property owners. The second bill is calculated as the tax rate times the property assessment, divided by 1000, **minus the amount of the first bill**. The new tax rate of \$17.32 (\$18.92 for those in the Warner Village Water District) and the new property assessments were used in the calculation.

For some owners, the second tax bill is less than or about the same as the first bill. However, there are several property owners whose bills are significantly higher due to updated assessments.

[Newsletter editor's reminder: The 2024 tax rate was \$30.90, and so June 2025's tax bills showed \$15.45 which was the **half-year** equivalent rate]

If a property owner believes that their taxes are not in accordance with the property value of their home, that the assessment may contain an error or omission, or they are unable to pay taxes due to poverty or other good cause, they have the right to apply in writing for an abatement or deferral by March 1, 2026. This, as well as processing of all tax exemptions and credits, is done through the **Assessing Office**, not the Tax Office.

Anyone who does not receive their property tax bill by Monday, November 10 is asked to reach out to the Tax Office for another copy. Payments are due by December 11.

The Annual tax rate is posted on the Tax Office page on the Town's website.

<https://warnernh.gov/departments/taxes/>

Statewide, all rates are posted here when final: <https://www.revenue.nh.gov/about-dra/municipal-and-property-division/municipal-and-property-reports/municipal-and-village>

A **guide to your property card** and assessing methods is available at
